

Badger Class

Autumn Term 2020

Our first topic this year is Local History and Geography. We will be looking at the geography around Foxton and south Leicestershire including looking at lots of maps of the area – new and old. We will also be thinking about the history of the area and how this links to the geography. Later in the term, we are hoping to take two historic walks and possibly visit the museum in Market Harborough.

As you know, there have been some small changes to the staffing in Badgers this year. Mr Fletcher will not be teaching you. You will have Mrs Frow each day. Mrs Oakden will be with us in the mornings. Mrs Silber will be in class on Mondays to Thursdays and Mr Adam on Fridays.

You will have P.E. on Monday afternoons with Igor. As autumn progresses, we may well need to alter P.E. plans due to the weather. Please come to school in your PE kit on Mondays. During the first half term, we are hoping that you will be able to go swimming on Tuesday afternoons but we need to confirm this with the pool.

Spellings will be set on Mondays to be tested every six weeks. Homework will be set on Fridays and be due by the following Wednesday. Your homework will consist of an activity on My Maths and an English task each week which will usually be on Purple Mash. If you have any trouble completing your homework, please let me know and I will make alternative arrangements for you. At half term, I will also be setting a topic based task.

On the back of this letter, I have included an overview of the topics we will be covering over the next few weeks. I hope you find it useful.

Mrs Frow
