Foxton School

SCHOOL'S (NEARLY) OUT FOR SUMMER!

As the final term of this School year draws to a close, we would like to thank you all for helping us make the year such a success and to look forward to future events which we have planned.

We really do appreciate all the support that we receive from our parents and carers. Even if you just bought an occasional cuppa at assemblies, it all helps and it means that we can support the School in many worthwhile ways.

We ran a parent survey in January and were pleased to see that the responses were very positive and encouraging. We love feedback and we have taken it all on board.

Thank you to all those who have contributed so much to the FSA over the years whose children are leaving for secondary school this month, especially Carol Bootheway. Her bingo-calling skills will be particularly missed!

Wishing you all a happy and healthy summer break.

WE NEED YOU!

As children inevitably fly the Foxton nest, their parents and carers who have supported the FSA in the past of course move onto the next chapter with them. Therefore we are always looking for new members to build the ranks. We especially need volunteers with children in the early years to ensure continuity of the committee. There are plenty of things that you can do – you can contribute as much or as little as suits you.

If you have any questions about the FSA, please speak to Mrs Frow
