

## **Chair's Report for FSA AGM – 29/11/24**

Welcome everyone and thank you for coming to this afternoon's AGM.

The objective of Foxtton School Association ("The FSA") is to enrich our children's school experience. We aim to achieve this by organising fun activities and events, as well as creating a social network of members.

The FSA is run by a committee that is elected each year at the AGM. The AGM is the only formal meeting of the year and deals with committee elections, presentation of accounts, reviews and plans for the future.

Having been in the role of Chair for the last year, I am very proud to be part of an amazing team who do their best despite their own busy schedules. I want to thank everyone on the FSA for all for the time you put in and the support I've been given, I am happy to continue in the role for this academic year. I also want to say a big thank you to everyone who made the Fun Day in June a success, it was a huge undertaking for everyone involved, the FSA, school staff, particularly Mr Norman and Mrs Frow and parents. We are so pleased with how the day went though, it really was fantastic to see so many families enjoying the day.

### **The coming year**

We will continue to be an active team and meet regularly to plan how to raise funds for the School. We are very fortunate to have helpful and supportive staff at the school and we will work hard to continue the support that the FSA offers the school. We have so far donated money to both the upcoming Residentials and also hope to fund a new wildlife camera. We always welcome new members and any help or ideas so if anyone here would like to find out more about the FSA, please do speak to us!
